

WRAP & TIE TOPS

Soft fluid, draped and tied silhouettes, crafted with a refined pastel palette where pieces feature a wrap construction and a skin-fit feel. The signature chevron print detailing elevates each design with a distinctive identity, balancing femininity with modern athleticism.

CINCHED BOTTOMS

High waisted silhouettes with a flowy fluid fall of fabrics creating a graceful movement. The soft drapping with adjustable ties on the pants, mini skirts with chevron waist bands are unified through soft volume through the cohesive visual identity. Designed for versatility.

SCULPTING SPORTSBRAS

Designed for both support and style, these sportsbras offer support as well as the sculpting effect with defined detailing. From structured cuts to wrap inspired silhouettes, each bra ensures comfortability and confidence, they redefine active essentials.

TENNIS DRESSES

The tennis dresses blend perfectly with effortless elegance and fluid movement, on and off the court. Featuring the same sculpting silhouettes and thoughtful detailing, both dresses ensure breathability and style.
